Citations from a Kindle Book

It is easy to cite from a book on your kindle eventhough page numbers may not appear. Using RONR as an example, for the citation, RONR (11th ed.) Kindle Version:XXXX with XXXX being the number you get if you highlight the quote and go to Menu: View Notes and Marks. That number will not change when you change font size.

For a bibliography: Robert, Henry M. III et al. Robert's Rules of Order Newly Revised, 11th ed. [Philadelphia: Da Capo Press, 2011], Kindle Edition
